Dear Ministry Partners,

What is our responsibility for fulfilling the Great Commission... to go to the ***"ends of the earth"*** and ***"make disciples of all the nations"***... when the nations, not least our own are in chaos?

What do we do when the man leading our former Republic is less and less engaged with the affairs of State; His physical and mental capacity is increasingly suspect; And his heir apparent is an obvious moral and ethical degenerate and profligate, spending the wealth, not only of his own nation but also the wealth of other's nations, on his moral depravity and careless addictions.

What do we do when the likely successors of his ineffectual and increasingly lawless and tyrannical government blame the inevitable destruction of our Nation on the followers of Jesus Christ, and begin to systematically demonize and persecute us, until such time as they can totally annihilate us? Do we wait for times to return to "Normal" before we send out the cream of our families and churches to risk all for the sake of the Gospel? Do we expend our limited resources in securing an uncertain personal future or in equipping and supporting those who go to ***the "ends of the earth"***?

These are not hypothetical questions. This is EXACTLY the situation the disciples faced in the first thirty years immediately following their commissioning, beginning at the end of the reign of Tiberius, who had become a senile old man, and who was succeeded by the depraved and degenerate Caligula, then Claudius, and Nero. And despite all this... They obeyed.

What about us? Obedience to our Savior demands we continue to take the Gospel ***"to the ends of the earth"*** and ***"make disciples of all the nations"*** because we have been commanded to do this ***"until the end of the age"***...

With Love,

Jim Teasdale (For the TMM family)
